

CREMATION PLAQUES STANDARD

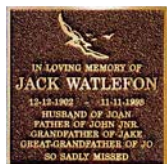

Cremation Plaques offer a place to inter cremated remains and create a lasting memory for a loved one. Many cemeteries have a standard size plaque available for niche walls specially designed to hold cremated remains. You can specify any size as the standard size for your facility.

Size 140mm x 115mm

Niche Wall Plaques can also be manufactured in brass with a chrome plated finish. The inscription is engraved with black infill.

Size 110mm x 110mm

This size plaque allows up to 8 lines of inscription. This photo shows a Cremation or Niche Wall Plaque with a flat motif.

Size 180mm x 85mm

Cremation or Niche Wall Plaques can be manufactured to your required size and specifications of borders and fittings.

Size 140mm x 115mm

This size plaque allows for 8 lines of inscription. This is a photo of Phoenix Ashford series as a Niche Wall Plaque. Niche Wall Plaques can have a baked enamel finish in any colours from the Phoenix colour chart.

Size 135mm x 135mm

This is a Niche Wall Plaque with a small bud vase attached. Phoenix offer a wide range of vases in different shapes and styles.

Teddy

This Teddy comes in 3 sizes, the smallest is 135mm x 140mm and would be suitable for childrens memorials when used on a niche wall.

> Fixing

Depending on what the Niche Wall Plaque will be attached to, a number of fixing systems are available to achieve a practical, safe and permanent attachment.
